SUSPENSE _____

Date _____

Remarks:

A gratuitous comment, but I think MAG + Ben are right. How can: t b e argued simultaneously that :

a. Most people perceive there are great barriers to movement in the Agency; and

b. "there has been extensive movement within the Agency."

I think we should determine more clearly what employee perceptions and desires are before issuing ^{Date} such a notice. A lot of people probably don't want to change directorates / components. R
